Monika Paszkiewicz

Festival President

After two years where we have not been able to hold our traditional Festival, I am incredibly proud to welcome you back in person to the Polish Festival @ Fed Square as we bring a taste of Poland back to Melbourne.

The resilience of our Festival is a tribute to the hard-working group of volunteers, past and present, without whose dedication we would not be able to enjoy what has become an annual event in the community calendar for Poles and non-Poles alike.

Left: Monika Paszkiewicz

Polish hospitality has been described as "so wide that the walls of the house spread out" when guests arrive. Please take a stroll around, sample the cuisine, watch the colourful stage performances, visit the market stalls, catch up with old friends and make some new ones!

Do zobaczenia!

CITY OF MELBOURNE

The City of Melbourne is proud to support the 18th Polish Festival – the biggest festival outside Poland – as part of its Events Partnership Program.

Our city is home to people from more than 200 countries, speaking 230 languages and dialects, and practising 120 faiths. We welcome the vibrancy that Melbourne's Polish community brings to this colourful tapestry of our city.

Thank you for sharing your rich heritage and culture, and for making Melbourne a more welcoming and inclusive place.

In Melbourne we love mixing the old and the new and cannot wait to celebrate both traditional and modern Polish culture with an array of interstate and international artists, Polish wares and tasty treats.

Congratulations to the event organisers, performers, store holders and volunteers for bringing people together, and cementing Melbourne's reputation as the events capital of Australia.

Message from Chargé d'Affaires ad interim of Poland
Ms Agata Utnicka

Embassy
of the Republic of Poland
in Canberra

2022 marks 50 years since the establishment of diplomatic relations between Poland and Australia, although bonds of friendship between our countries reach far beyond that official date. The anniversary is a wonderful occasion to demonstrate how multidimensional and deeply-rooted the affinity between our countries and societies has become. It is also an excellent opportunity to celebrate together Polish contribution to the Australian way of life. And there is much to celebrate!

One of the most tangible examples of our shared history is Australia's highest peak – Mount Kosciuszko – and many other geographical locations named by or after the outstanding Polish explorer Sir Paul Edmund Strzelecki, including the Strzelecki Ranges, the town of Strzelecki, and the Gippsland region in Victoria. The imprints of Polish culture on the multicultural fabric of Australian society are without doubt much broader and can be appreciated through various initiatives and projects across the country such as the Polish Festival @ Federation Square.

Melbourne is traditionally home to the largest Polish community in Australia, with over 62,500 people declaring Polish heritage in the state of Victoria, according to the last Australian census. Therefore, I am particularly delighted that this year's 18th edition of the Festival is part of Australia-wide celebrations of the 50th anniversary of Polish-Australian diplomatic relations, highlighting the importance of people-to-people dimension of our bilateral relationship.

The Polish Festival @ Federation Square is a unique occasion to experience the richness of Polish culture, being at the same time a remarkable embracement of Victoria's vibrant cultural diversity. I wish all the participants and guests of the Festival an amazing time @ Fed Square, discovering Polish traditions, hospitality, and all the things Poles and Australians have in common.

See you all in Melbourne!

The Festival Logo

The Festival's Logo has two significant attributes. The crown eagle is the coat of arms of Poland and has been for over 1000 years. To Poles, this eagle symbolizes the fiercely independent spirit of Poland, and its proud history of victory over its many occupants. The part eagle is enclosed within a square, a direct reference to the Festival's annual venue - Fed Square in Melbourne. The festival logo encompasses the use of Polish national colors: white and red.

Łowicz, established in Melbourne in 1975, has a long and rich history of promoting Polish folkloric culture. Łowicz has had the honour of performing at numerous interstate events including the triennial PolArt Festival, and countless festivals and events in Melbourne. Łowicz is an active group within the Polish and wider communities, organising multicultural concerts, galas, and various fundraising events. After a rich 40-year history, in 2015, the group was overjoyed by its growth to welcome a cohort of budding young dancers into the junior troupe, our very own 'Łowiczaki.'

This year Łowicz were delighted to bring Polish dance to the wider community through the Dance Up! Australia program together with the Southern Migrant and Refugee Centre, the Polish Community Council of Victoria, and the Polish Community Care Services, while also representing the Polish community at Charity events for Ukraine.

Since its humble beginnings, the heart of Łowicz lies within the members' enthusiasm and passion for upholding Polish culture and traditions, and the vision and guidance of the Ensemble's respected Artistic Directors, both past and present.

Currently, the group's Artistic Director, Edith Drajkopyl, teaches the Senior group, with fellow past member Olivia Winczura teaching the Junior group. Both teachers bring with them a fun atmosphere to learning Polish song and dance and are supported by experienced dancers in the ensemble.

A few facts about Poland

Poland's flag is white and red. The colours were adopted in 1831 and the national flag was officially adopted in 1919.

The National emblem features the White Eagle and has been Poland's coat of arms for a thousand years. Legend has it that the White Eagle emblem originated when Poland's legendary founder Lech saw a white eagle's nest. When he looked at the bird, a ray of sunshine from the red setting sun fell on its wings, so they appeared tipped with gold; the rest of the eagle was pure white. He was delighted and decided to settle there and placed the eagle on his emblem.

Poland has been invaded or has fought for freedom in insurrections 43 times from 1600 to 1945.

The highest mountain in Australia was named in 1839 by Polish explorer Sir Paul Edmund Strzelecki as Mount Kosciuszko because of the mountain's resemblance to the Kosciuszko Mound in Kraków, Poland.

Poland's anthem is Dąbrowski's Mazurka.

The capital of Poland is Warsaw.
